

T I N K E R C A D
C A D

Where do I start?

- 1. Select an object**
- 2. Click on the workplane**

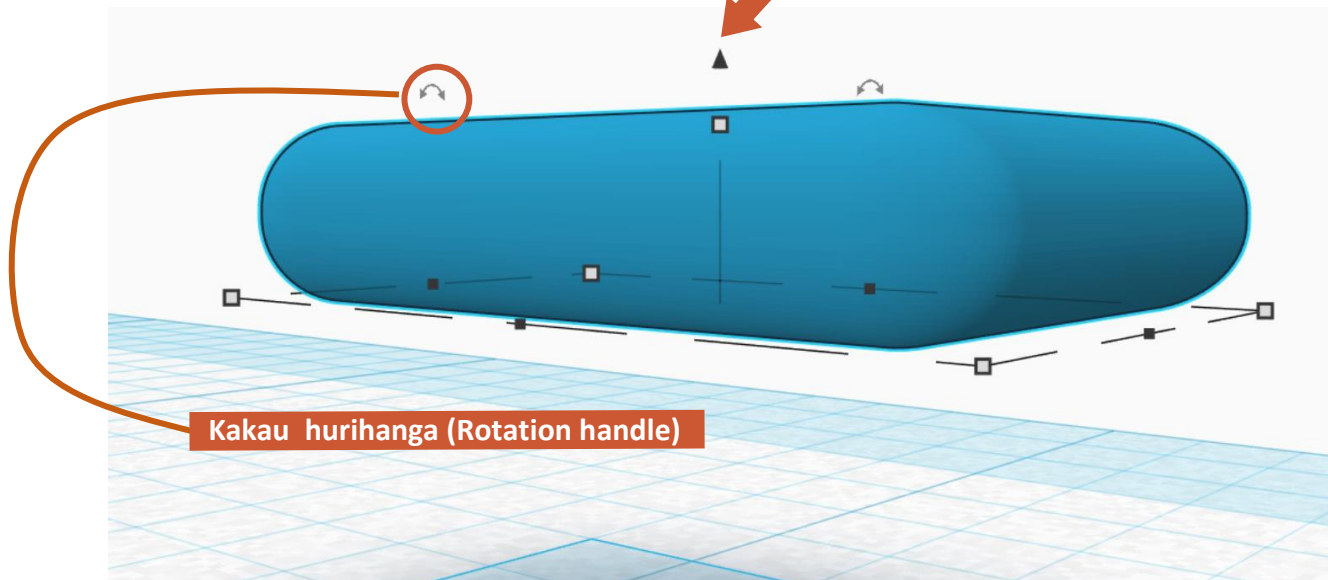

Change the colour, radius and size of the object.

Click and hold the triangle handle to lift the object off the workplane.

Pāwhiri me te pupuri te kakau tapatoru ki te hāpaingia te ahanoa.

What can you build?

Hanga te whare, waka, tangata... he aha atu?
